

World Fuel Services Gender Pay Gap Report

We are an employer required by law to carry out Gender Pay Reporting under the Equality Act 2010 (Gender Pay Gap Information) Regulations 2017.

The data reported is from 5th April 2017 for two of our UK Organisations which fall under the above legislation:

World Fuel Services Europe, Ltd.

WFL (UK) Limited

We will use the published results to assess:

- the levels of gender equality in our workplace
- the balance of male and female employees at different levels
- how effectively talent is being maximised and rewarded.

The challenge in our organisation and across Great Britain is to eliminate any gender pay gap.
