

#### **World Fuel Services Gender Pay Gap Report**

We are an employer required by law to carry out Gender Pay Reporting under the Equality Act 2010 (Gender Pay Gap Information) Regulations 2017.

The data reported is from 5<sup>th</sup> April 2017 for two of our UK Organisations which fall under the above legislation:

#### World Fuel Services Europe, Ltd.

#### WFL (UK) Limited

We will use the published results to assess:

- the levels of gender equality in our workplace
- the balance of male and female employees at different levels
- how effectively talent is being maximised and rewarded.

The challenge in our organisation and across Great Britain is to eliminate any gender pay gap.

#### Declaration

I confirm that the data contained within this report is accurate and meets the requirements of the Gender Pay Gap reporting regulations.
