

## Jeffrey Weissman

World Fuel Services

Senior Vice President and Chief Commercial Counsel

---

Jeff Weissman is Senior Vice President and Chief Commercial Counsel of World Fuel Services Corporation.

Weissman is responsible for legal oversight of all of the Company's commercial and physical operations worldwide, including transactional, commercial, strategic, litigation, risk management, environmental, safety, technology, regulatory, compliance, and governance matters.

Prior to World Fuel, Weissman served as General Counsel of Global Fleet Management Solutions at Ryder System, Inc., responsible for legal oversight, strategy and support for Ryder's \$5 billion vehicle leasing, rental, and maintenance business. Prior to that role, he served as an associate at Holland & Knight.

Weissman holds dual bachelor's degrees from the University of Pennsylvania – a Bachelor of Arts in Political Science and a Bachelor of Science in Economics from the Wharton School – and a Juris Doctor from the University of Miami.
